Welcome to PRIDoC 2012

On behalf of PRIDoC Council we take great pleasure in inviting you to take part in the 6th Pacific Region Indigenous Doctors' Congress Conference (PRIDoC). We are very excited about the potential of this program to foster high standards of medical care for Indigenous peoples of the Pacific region and look forward to guidance from the Arrernte people and those in the wider region.

PRIDoC brings together, in a safe and positive environment, Indigenous medical practitioners, students, and health professionals from Australia, New Zealand, Canada, United States of America, Hawai'i, Taiwan, and across the Pacific to promote culturally safe research and clinical practices, build Indigenous capacity and contribute to improved health and well-being for peoples of the Pacific.

The 2012 theme is **CONNECTEDNESS**; acknowledging the bonds Indigenous peoples share, and the significance of our connections to land and culture to our health and wellbeing.

Associate Professor Peter O'Mara
