

PEPA Program of Experience in the Palliative Approach

Funded by the Australian Government Department of Health and Ageing

Palliative Care for Aboriginal Health Workers

This one day workshop is designed to build knowledge and skills to provide palliative and supportive care for individuals and their families dealing with chronic or advanced illness. The workshop will focus on the palliative approach, symptom management, spirituality and loss and grief.

TARGET GROUP: Aboriginal Health Workers, Liaison Officers, Outreach Workers, Interpreter or Health Workers that care for Aboriginal people.

PRESENTERS: Joylene Koolmatrie is a descendant of the Ngarrindjeri and Kayteye people in South Australia. She is now based in Perth, and works primarily with Aboriginal people delivering psychological services in the area of loss, grief and trauma.
