

Government of Western Australia
Department of Health

INVITATION: WA Aboriginal Child Health Preconference Workshop Tuesday 28th May 1- 4.30pm

The Aboriginal Child Health Project is hosting a *Pre-Conference Aboriginal Child Health Workshop* alongside the *Aboriginal Maternal & Child Health Conference* at the Duxton Hotel, in Perth.

The pre-conference workshop is a free event that will be of interest to professionals who are providing health services to young Aboriginal children and their families.

It will provide an opportunity to:

1. Reflect on the progress made in WA over the past 3 years in preventative Aboriginal Child Health;
2. Discuss similarities between current Aboriginal Child Health service provision (New Directions and Healthy4Life Programs and others);
3. Explore and share living examples of collaboration.

For more information, please contact the Aboriginal Child Health Project on (08) 9224 1359.

The closing date to register for the Conference is nearing; please see the attachment for conference registration information if you have not already registered.

The pre-conference workshop is open to all conference delegates however places are limited so please submit this registration form as soon as possible.

Please fax this preconference registration below to Debra Rose on 9224 1612. There is no cost to register for the Pre-conference Workshop and afternoon tea will be provided.
