Stall Holders Invited

The AIDA Symposium provides AIDA members and community members with an opportunity to engage with each other. It also supports local Indigenous people in their business endeavors. Accordingly, we welcome crafts people, artists, Indigenous organisations, education and health service providers who feel they have something to contribute and/or to sell to apply to have a stall on Saturday 22nd October at Cable Beach Club Resort. Cost would be free. Two tables will be provided to each stall. Stall operators will be given two complimentary registrations to the Symposium.

Please note that we have a limited number of stall positions to offer.
