- modified for safety, ease of use or to cater for all ages and abilities
- reconstructed from incomplete accounts

When to use this resource:

These games can be used as skill games or lead-up games in physical education lessons or in specific sport practice sessions at school or for a sporting program. When the games are used as part of a school or sporting program it is recommended that local elders and Indigenous groups are invited to participate in some way.

These games can also be used to run physical activity sessions with adults, encouraging an emphasis on participation and fun.
