

Using the WoundsWest Online Wound Education Program

To access the online wound education program go to: www.health.wa.gov.au/woundswest and choose the education link. You can then select the WoundsWest online wound education program link.

When this link opens you will be asked to accept the [Terms of Agreement](#) which will then give you access to the program. The following page will open.

WoundsWest Education

WoundsWest Modules Homepage

All WoundsWest modules can be accessed via this program. Some satellite modules are currently under construction. Modules in review mode will require a password for reviewer access. Please note these modules are designed for qualified and registered health professionals and contain graphic images that may disturb some viewers. Please fill in these fields to ensure you receive your certificate of completion and to allow WoundsWest to evaluate the program usage. Please doublecheck that your email address is correct for receipt of your certificate. All information remains confidential.

E-mail: *	<input type="text" value="J.Keaton@curtin.edu.au"/>	Department:	<input type="text" value="WoundsWest"/>
First Name: *	<input type="text" value="Juliet"/>	State / Province:	<input type="text" value="WA"/>
Last Name: *	<input type="text" value="Keaton"/>	Country:	<input type="text" value="AUS"/>
Job Title: *	<input type="text" value="EPO"/>	Region (Pilbara, NMAHS, Aged Care etc): *	<input type="text" value="WW"/>

* Required information

Important note: Please ensure you provide the correct details for all fields with an asterisk. This is to ensure you receive your certificate. Try to use the same email address when you login which you can do from any computer connected to the internet.

When you press **CONTINUE** this screen will open and you can choose the module you wish to view. You will need to verify your details again for each module so please check they are correct and click **CONTINUE** again.

The selected module's homepage will open. You can now start your journey in any order you choose!!
